- Lil Sluggers TBall baseball is for player age 4-6 and serves as an introduction to the games of baseball and softball in a fun, active, non-competitive environment. Northampton Parks & Recreation Department recognizes that T-ball is often a family's first experience with baseball.
- Players will learn foundational skills of baseball/softball such as batting, catching, throwing and fielding for gains in both experience and confidence. Players are coached by volunteer parents who are trained by Northampton Parks & Recreation.
- Players can expect to hit from a Tee throughout the season, but as the season progresses, coaches are given the option to introduce coach pitch to players who are ready to hit in this fashion. The emphasis is on children receiving skill development thru a positive instruction, equal participation and the value of teamwork and most importantly having fun.
- All players/teams participate each Saturday morning for a seven week season beginning the last Saturday of April at Look Park.

For ages 6-16, this league is a new collaboration of Little League and Cal Ripken. The objective of Northampton Baseball & Softball is to instill in the youth of the greater Northampton community a love of the game by building a foundation of baseball and softball skills that will allow for spirited and fair competition. Their goal is to help our players develop and strengthen the fundamental physical and mental skills associated with the game.
